## **Minutes of the Weare Cable Committee**

**Present: Brad McCauley, Paul Hague, Donna Osborne, Jon Wallace, Will Ottery, Walter Bohlin**

The meeting was called to order @ 7:25pm after waiting for additional members to arrive. Due to the low turnout of members, the committee postponed elections without a vote.

Discussion was held about possible future reorganization of the committee, subject to a vote of the town.

The committee discussed the methods to use to meet the Board of Selectmen's mandate to make the studio usable before we could expend any funds. To that end, Walter Bohlin suggested and it was agreed to hold two or more meetings/work sessions on successive Thursdays to provide training in the hookup of the equipment in the studio, rather than rely upon Walter to just hook it up. We discussed the problems of lack of quality due to the age of the equipment, but agreed that we needed to get it working to prove it would work.

Walter Bohlin said he would send email notification to members as a reminder and arrange to post the meetings/work sessions. The dates agreed upon were 6/9 and 6/16. The meetings/work sessions would be held in the cable studio.

Jon Wallace moved to adjourn at 7:50pm. The motion was seconded by Paul Hague. The vote was unanimous.

Respectfully submitted,

Walter Bohlin  
Co-Chairman
